COUNSELLING REPORT FOR THE ACADEMIC YEAR 2015-16

The counselling cell at Mount Carmel College operates on all working days between 8.30 am to 4.00 pm. The students are briefed about the availability of counselling services on campus during the orientation programme for the fresher's as well as during the Principal's interaction with the students. The students are encouraged by the respective mentors to avail the services of the counsellor if need be to address issues that affect their personal life. Further the college website hosts the counsellor's mail id and contact number for convenience of the students.

We further certify that during the academic year 2015-16 I have held counselling sessions for 616 students covering both UG and PG students across varied programmes.

PS; individual details of students counselled cannot be disclosed for reasons of confidentiality
