Saahas in partnership with Environmental Synergies in Development (ENSYDE), both NGOs, is implementing the responsible collection and disposal of non-bulk e-waste through KSPCB authorized recyclers .

We have carried out over 320 successful campaigns and collected over 65 tonnes of E- Waste in Bangalore.

We would be happy to collect electronic waste from your institution for a period of one year. We thank you for your association with the bE-Responsible program and for taking a step in disposing your e-waste in a safe manner.
